

Look what couples are saying about St. Clare Chapel Wedding Ministry!

“We thoroughly enjoyed our special day and couldn’t have asked for a more picturesque, special Chapel within which to exchange our vows. We are forever thankful that the Sisters shared this special time with us.” — Jessica and Jessie, 08.06.2016

“A wedding is one of the most important days of your life, and when I walked into St. Clare Chapel for the first time, I knew I needed to be married there. It was such a beautiful, yet intimate setting that provided the perfect feel for what I wanted that day to be. It really felt like I was sharing the ceremony with my family and closest friends. The staff was incredibly helpful during the entire process, and our day went off without a hitch. We could not have dreamt of a more perfect place to begin our marriage.” — Allison and Gregory 07.30.2016

“I first came to know St. Clare Chapel in 2010 when I visited for the first time with a friend. I was instantly in awe of the beauty of both the Chapel and the grounds. It remained close to my heart and when Allen and I were to be married I knew St. Clare was where we should start our life together.

Everything came together seamlessly on our wedding day and we were thrilled to have a few sisters on hand to help guide the ceremony and be witness to our commitment. We absolutely loved St. Clare and will be forever grateful for being blessed to be married there and it will remain in our hearts forever.” —Megan and Allen, 06.04.2016

“We loved our experience with St. Clare’s Chapel and the Franciscan Sisters. I never once had to stress or worry about organization of the wedding as it was all handled well by all of you. During our wedding planning we had a couple of different wedding coordinators and each time it switched there was never a lull in communication or planning. You all communicated well as people switched positions. I loved the church and the grounds for pictures as well. All in all, I was extremely pleased with our choice of St. Clare’s Chapel and would recommend it to anyone!” — Lauren and Jake, 07.02.2016
